Polymeric sand recommended for this product

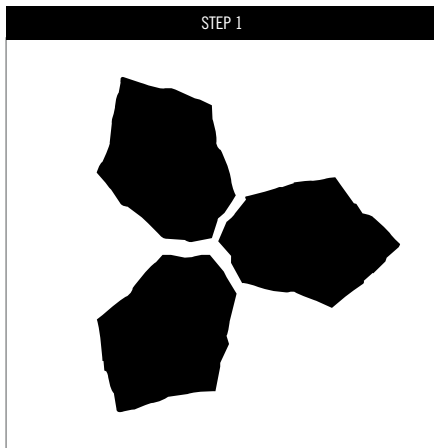

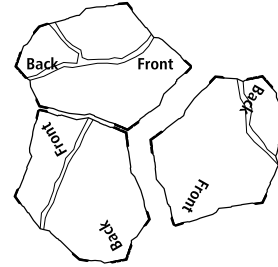

MEGA-ARBEL & MEGA-ARBEL PATIO SLAB LAYING GUIDE

Before you start, familiarize yourself with the Mega Arbel pavers. Begin by placing 3 pavers together to form a cloverleaf.

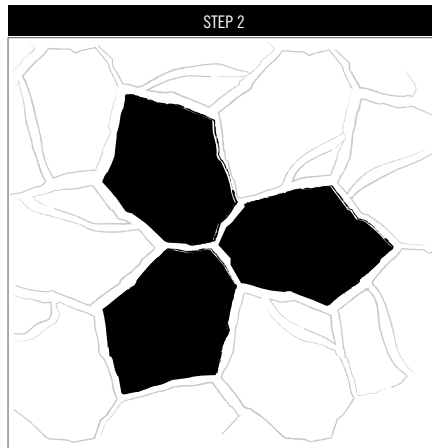

A set of 3 pavers forming a cloverleaf

To make the installation easier, the front of the paver should point to the back of the other paver.

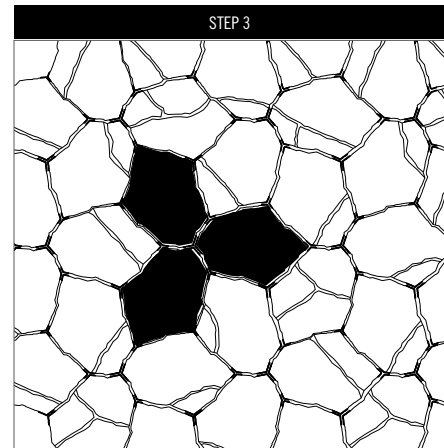

STEP 1

Begin by laying 3 pavers at the center of the surface to be covered.

STEP 2

Add more sets of cloverleaves to fill in the surface to be covered.

STEP 3

Complete the balance of the surface to be covered with single pavers.
